Contractor's Warranty – Saddle River Day School

Northern Wolves, Inc. (Hereinafter referred to as "Warrantor"), in connection with the Heating, Ventilation and Air Conditioning work performed by the Warrantor under agreement between **March Associates Construction, Inc.** and the Warrantor dated 05/06/2025 for Saddle River Day School located in 147 Chestnut Ridge Road, Saddle River NJ 07458, hereby warrants and guarantees, for a period commencing from the date of completion of the contract and extending for one year thereafter, that the project shall be free from defects and the Warrantor agrees to perform all work and repairs necessary, at its sole cost expense, to correct any faults and imperfections that may arise due to defects in material and/or workmanship, except that the period shall be extended for particular items of work where such longer periods are specified in the contract referred to herein. This Warranty shall extend to Saddle River Day School, and their successors and assigns. Saddle River Day School agrees to notify the Warrantor of the existence of any defects and Warrantor agrees to expeditiously make the necessary repairs. In the event the Warrantor fails to comply with its obligations hereunder, Saddle River Day School shall be entitled to contract with other companies for the repair, and Warrantor shall be liable for all damages, including legal fees and litigation costs, in connection with any such default.
