410A System Notes:
1. R-410A systems need to be installed by the end of 2026 to comply with NY DEC Variance.
2. R-410A availability is subject to change. Inventory is not reserved until material is RELEASED.
3. Pricing is only valid while R-410A units are in stock. Once stock is sold out, no replacements will be made available and pricing is subject to change corresponding to any new units

Terms

Northern Wolves Inc provides one year warranty for the system it will install. In case of technical fault after one year all the repairing cost will be additional. The firm will not be responsible for the warranty claim if the system is externally damaged by any means. Firm only caters the internal design faults.
